### **Dress Code:**

We recommend sports and activity clothes. For safety reasons, we strongly suggest athletic shoes be worn during sports and high activity sessions for all children. Children may bring flip flops or sandals to change into if desired on water days. Your child will be given camp T-shirts that must be worn on all outing (field trip) days. If your child does not come with their camp T-shirt on an outing day, depending on availability, we will provide your child with a T-shirt and charge your account \$15. We **cannot** loan out these T-shirts, so please **do not** return T-shirts after their use.

### **Food & Drinks:**

Each summer day the camper is responsible for bringing his/her own lunch and water. Lunches must be packed in brown bags on all field trips. Please send *water bottles each day!* Children will **not** be permitted to buy food on outings, unless specified. We will provide your child with two snacks daily, one in the morning and one in the afternoon.  
**\*Microwave and lunch refrigeration are not available on a daily basis.**

### **Field Trips, Money, & Personal Items:**

We have outings scheduled every week. All field trip fees are included in your weekly tuition, and your child does **not** require additional money. Please remember that day trips are on a timetable and therefore **minimal or no** time will be allowed for souvenir shopping. Please keep in mind that your child must be responsible for all valuables and/or money brought to the center. Our counselors are instructed **not** to hold any such items for children. Children will be required to have a backpack for all outings that require personal items to be brought.

Welcome to Henley Youth Rock Wall. Your safety is our top priority. Before you begin your climbing adventure, please read and understand the following safety rules. These guidelines are designed to ensure a fun and safe experience for everyone. By participating, you agree to always adhere to these rules.

1. **Wear Proper Safety Gear:** Always wear proper climbing shoes. Do not climb in flip-flops, sandals, or any footwear that does not provide adequate support.
2. **Stay in Your Designated Area:** Only climb on the designated rock wall. Do not climb on any other structures or surfaces that are not meant for climbing.
3. **Follow Climbing Instructions:** Listen to the staff. They are trained to keep you safe and provide guidance during your climbing experience.
4. **Do Not Rush:** Take your time while climbing. Climbing too quickly can lead to accidents. Focus on your movements and enjoy the experience!
5. **Wait for Your Turn:** Be patient and wait for your turn to climb. This pushes or shoves other climbers, as this can lead to accidents.
6. **Do Not Distract Climbers:** While someone is climbing, avoid making loud noises or sudden movements that could distract them. Respect their space and focus.
7. **Respect the Rules:** Follow all posted safety rules and guidelines. Ignoring rules can lead to serious accidents.
8. **Have Fun but Be Safe!** Enjoy your climbing experience, but always prioritize safety. Remember that the goal is to have fun while staying safe!

\*By signing this waiver below, you acknowledge that you have read and discussed the rules with your child, understood, and agreed to abide by these safety rules while climbing on the rock wall. Let's make this a safe and enjoyable experience for everyone!
