The Salvation Army San Diego

Major Amy Reardon

Major Rob Reardon

Dear Friends,

This past year, The Salvation Army in San Diego County has met needs in established ways while simultaneously expanding our reach and looking toward future avenues of service. It is our continued privilege to be used as the “hands and feet of Jesus” as God chooses to fulfill his mission through his people. To that end, we have fed the hungry, housed the unhoused, built fellowship for the lonely, mentored the young, counseled the lost. These are just some of the things we have always done and we will continue to do.

But this past year, we also made new inroads into public schools in underserved areas, exposing more families to what we can offer them. We increased our services to seniors, adding breakfast to two of our four facilities already serving free lunches. We made crucial strides toward getting our beautiful Rady Center built downtown, which will provide housing for an estimated 7,100 individual adults within a decade of its opening. We watched our Echelon group (an engaged volunteer/advisory group for young professionals) develop and blossom. The list goes on. To sum up 2025, we looked forward, and we moved forward. We thank God for the thousands of members of our community who knew they could trust The Salvation Army to spend their donations effectively.

We thank God for the thousands of members of our community who knew they could trust The Salvation Army to use their donations effectively. It was their support that gave us forward momentum. Lives have been changed; the pages of this Impact Report will help tell that story.

There are many people in our community who have yet to be reached. We are so grateful for the faithful support of our donors, and we are unspeakably blessed that God works through us to help the people he loves. We promise to do as exhorted in Galatians 6:9 – we will “not become weary in doing good.”

MISSION STATEMENT

The Salvation Army, an international movement, is an evangelical part of the universal Christian Church. Its message is based on the Bible. Its ministry is motivated by the love of God. Its mission is to preach the gospel of Jesus Christ and to meet human needs in His name without discrimination.

MESSAGE FROM ADVISORY BOARD CHAIR

As the Chairman of the San Diego Metropolitan Advisory Board, I am honored to be part of such an admired and dedicated organization, which plays such a vital role for those in need in San Diego. For people experiencing times of hopelessness, The Salvation Army provides hope and support. Thereafter, these vulnerable populations are taught to build the confidence and resources to become contributing members of the community, thereby making San Diego a better place. Through the Salvation Army's steadfast work, homelessness, poverty, and addiction are being transformed into stability, independence, sobriety and faith.

YEAR IN REVIEW

JANUARY

EMERGENCY DISASTER SERVICES

When devastating wildfires swept through Los Angeles County starting January 7, the Palisades and Eaton Fires rapidly spread under extreme Santa Ana winds.

The Salvation Army San Diego responded by sending officers and staff into the affected areas. They supported shelters for displaced families, operated mobile kitchens to serve thousands of hot meals, distributed essential supplies like clothing and hygiene items, and provided emotional and spiritual care to those facing trauma and loss. San Diego also partnered with local media to raise vital funds, ensuring relief efforts continued and survivors received needed support.

READY TO RESPOND

From floods to fires, disasters are striking more frequently and with greater intensity across the U.S. In response, The Salvation Army San Diego has expanded its Emergency Disaster Services (EDS) to provide relief and prepare the community for future crises.

After the record-breaking floods of January 2024, monthly training cohorts were launched to equip local volunteers with skills such as canteen operations, food safety, CPR, and first aid, ensuring a team ready to respond at a moment's notice with practical support and compassion.

The Salvation Army is building an Emergency Operations Center at the San Diego Kroc Center, allowing staff and volunteers to coordinate disaster response locally.

DISASTER RELIEF

Provided support to those in immediate need, bringing vital necessities and hope.

FEBRUARY

HERITAGE & HISTORY

A CULTURAL CELEBRATION

In February, The Salvation Army Door of Hope Rady Campus hosted a special evening that honored the contributions and legacy of Black Americans. Staff members led residents in a meaningful program focused on education, reflection, and unity. The event highlighted the stories of influential leaders who advanced labor equality in America and inspired new conversations about justice, perseverance, and community.

Following the program, residents and staff came together to share a homemade meal that celebrated African American culture through traditional dishes prepared by the team. The gathering created an atmosphere of warmth and connection, allowing participants to reflect on history while strengthening their sense of community and mutual respect.

MARCH

WOMEN OF DEDICATION

HONORING SAN DIEGO'S MESSENGERS OF HOPE

The Salvation Army Women's Auxiliary (SAWA) hosted its 59th annual Women of Dedication luncheon, themed "Messengers of Hope." The event celebrated twelve remarkable women whose dedication and service continue to uplift the San Diego community. Attendees helped raise over \$250,000 to support programs that provide essential services to families and individuals in need. The luncheon drew more than 700 community members, making it SAWA's most impactful gathering of the year.

WOMEN WITH PURPOSE

A LEGACY OF SERVICE

Founded in the 1950s, The Salvation Army Women's Auxiliary is a volunteer-led organization that supports The Salvation Army's mission in San Diego. Through fundraising, donations, and volunteer service, SAWA provides vital resources for programs addressing homelessness, hunger, youth, and families. Each spring, the Women of Dedication luncheon highlights community leaders whose generosity makes a lasting difference and continues the Auxiliary's legacy of compassion and hope.

APRIL

HOPE IN ACTION A PATH TOWARD RENEWAL

By offering both immediate support and long-term guidance, we help individuals regain stability, build confidence, and take meaningful steps toward rebuilding their lives.

MONTHLY COMMUNITY BBQ

Each month, The Salvation Army Centre City hosts a BBQ that brings together neighbors, volunteers, and individuals facing hardship for a warm and welcoming meal. More than five hundred meals are shared at every gathering, creating a dependable space where people can find encouragement and connection. The event strengthens community bonds and offers a sense of belonging to those who need it most.

ADULT REHABILITATION CENTER

The Adult Rehabilitation Center (ARC) carries that same spirit into a structured, residential program where individuals receive the support they need to achieve sobriety and rebuild their lives. Through counseling, work therapy, and steady guidance, participants develop stability and renewed purpose. Many move forward with stronger relationships and a clearer path toward lasting change.

REHABILITATION CENTER

We provide vital support to individuals overcoming substance abuse, guiding them toward recovery and renewed purpose.

COMMUNITY CARE FOR SENIORS

In May, our Love Beyond Community Forum welcomed seniors and their families to the San Diego Central Library to focus on health, wellness, and staying actively engaged in the community. The event offered opportunities for meaningful conversation and connection, featuring a panel of elder care professionals who shared insights, exchanged information, and provided resources to help older adults and their caregivers thrive.

In addition to community gatherings like this forum, The Salvation Army continues to support older adults through its senior nutrition program offered at multiple locations across San Diego. These programs provide nutritious meals in welcoming environments that promote connection, consistency, and care, helping seniors maintain their health while reducing isolation and food insecurity.

SENIOR NUTRITION

EMPOWERING OUR YOUTH

In the same month, the BRAVE event at the Kroc Center focused on empowering girls ages 11 to 18. Participants were inspired by speakers and mentors who shared their experiences, engaged in hands-on activities, and received support to build confidence, resilience, and safety awareness.

These events highlight The Salvation Army San Diego's commitment to strengthening the community across generations, celebrating the wisdom of older adults while encouraging young people to grow and succeed.

JUNE

PARTNERSHIPS THAT MAKE AN IMPACT

NATIONAL DONUT DAY

The Salvation Army hosted its 2nd Annual Donut Day Festival aboard the USS Midway Museum, bringing hundreds of locals together for a fun and meaningful celebration. Proudly sponsored by BakeMark, the event featured donuts from some of San Diego's finest shops and the unforgettable experience of enjoying them on the historic flight deck.

This tradition began in 2024 as a new way to honor National Donut Day and The Salvation Army's legacy of service. What started as a national eating contest has grown into a community celebration of gratitude, generosity, and togetherness.

TURNING CREATIVITY INTO CONSERVATION

For World Oceans Day, The Salvation Army joined SeaWorld San Diego, Otis College of Art and Design, and Santa Monica College to promote ocean sustainability through fashion and art. Students used donated clothing to create a vibrant mural that gave old garments new purpose and inspired care for our planet.

The same day, our new electric donation trucks made their debut at SeaWorld, collecting clothing and household items while reducing emissions. These vehicles reflect The Salvation Army's commitment to sustainability and innovation, helping us serve the community more efficiently while caring for the planet.

JULY

INSPIRING THE NEXT GENERATION

The Salvation Army San Diego nurtures youth through programs that inspire confidence and growth.

SUMMER CAMP AT CAMP DALEY

The Salvation Army San Diego nurtures youth through programs that inspire confidence and growth. Our summer and music camps at Camp Daley in Calabasas offer children a chance to step into a beautiful outdoor setting where adventure, creative expression, and spiritual development come together. Campers build friendships, discover new strengths, and create memories that stay with them long after summer ends. Support from Margaret A. Cargill Philanthropies keeps these experiences accessible for families in need so more children can enjoy the enrichment that camp provides.

Their involvement strengthens our mission and helps shape a culture of compassion and community engagement among their peers.

AUGUST

BACK TO SCHOOL EQUIPING THE NEXT GENERATION

Each year, The Salvation Army San Diego steps in to ensure students start the school year prepared for success. Through our Back-to-School initiatives, we provide essential supplies, backpacks, and resources to children and families across the county. From urban neighborhoods to outlying communities, our programs help remove barriers to learning, giving students the tools they need to thrive academically and feel confident in the classroom. This year, our efforts reached hundreds of students, empowering them to begin the school year ready to learn and grow.

PARTNERING FOR GOOD

We teamed up with Walmart to collect school supplies for students across the county. Generous donations of backpacks, notebooks, and pencils helped ensure children have the tools they need to start the school year prepared and confident.

SCHOOL SUPPLIES

We provide essential school supplies to children in-need, ensuring they have the tools necessary to succeed academically.

NEW SENIOR NUTRITION DIRECTOR

We are pleased to welcome Theron Ross as Senior Nutrition Program Director. Theron will lead efforts to strengthen senior nutrition services across San Diego County, ensuring older adults receive nutritious meals and compassionate support.

TRANSFORMING LIVES THROUGH DIGNITY, FAITH AND HOPE

The Transforming Lives campaign launched this year as a bold effort to secure the future of The Salvation Army's mission in San Diego County by raising eighty four and a half million dollars by 2030. Designed to build long term financial strength, the campaign will sustain essential programs including food, shelter, recovery services, and support for individuals, families, and seniors for generations to come. Through strategic investment today, Transforming Lives ensures lasting impact grounded in dignity, faith, and hope across San Diego County.

LOOKING FORWARD

THE RADY CENTER PROJECT

In September 2026, The Salvation Army will break ground on the Rady Center, marking the next chapter in our commitment to serve individuals at risk of or experiencing homelessness in San Diego. This transformational project will expand critical services and create a centralized hub of care designed to meet both immediate needs and long term stability.

"We have great confidence in this organization, so we are happy to put our resources in their hands. I'm really proud of what we're doing."

GIVING THANKS ACROSS SAN DIEGO

Across San Diego County, The Salvation Army hosted several Thanksgiving gatherings, each gathering our local communities around the table for a holiday meal and connection.

On Thanksgiving Day, our annual meals served more than 1,000 neighbors across the county. Volunteers and community leaders came together to ensure individuals and families felt welcomed and supported on the holiday. This was made possible by our dedicated volunteers, many of which choose to make serving others part of their own Thanksgiving tradition.

HOLIDAY MEALS

We serve holiday meals ensuring that everyone can experience the warmth of the season.

1,500 HOLIDAY MEALS SERVED

LOCAL THANKS

The day before Thanksgiving, volunteers and staff of our Escondido location prepared and served 600 homemade, traditional Thanksgiving meals to their community.

THANKSGIVING AT HOME

At the Door of Hope Rady Campus, families living on site gathered for a Thanksgiving celebration where residents and staff shared a meal together, accompanied by music from the Salvation Army San Diego Citadel Corps Band. Together, these moments ensured hope and gratitude were present at tables across San Diego County.

DECEMBER

FRESH IDEAS FAMILIAR PURPOSE

For the first time in several years, The Salvation Army brought back Celebrity Bell Ringing on Giving Tuesday. Local media personalities and anchors from some of the most popular news stations in San Diego joined in, helping amplify the Red Kettle campaign through news coverage and personal social media, inspiring the community to give in support of neighbors in need across the county.

TWO KICK OFFS. ONE SEASON OF GIVING

What's better than a Red Kettle Kick Off? Two Red Kettle Kick Offs! This year, we held two Red Kettle Kick Offs in downtown San Diego, giving our community more opportunities to give back during the Christmas season.

The first took place in East Village, where local leaders and supporters gathered as the Salvation Army brass band filled the air with festive music ahead of the tree lighting. The celebration captured the spirit of community that defines the season.

The second kick off followed in the heart of Little Italy during a lively Christmas market, surrounded by twinkling lights and bustling crowds. Together, these events launched a season of generosity that continues to make a meaningful impact across San Diego.
