

CAMP KROC

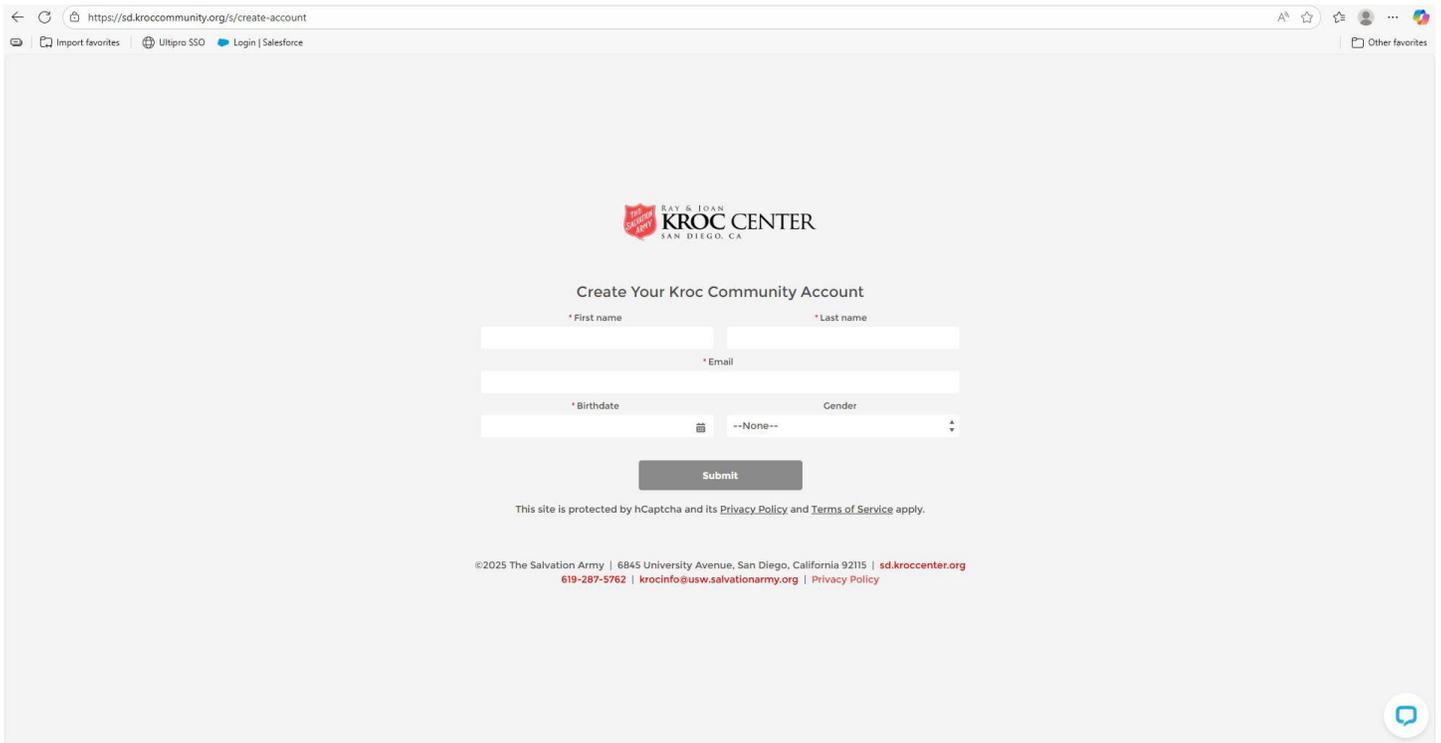

How to Purchase a Day Camp Program in Kroc Community:

Step 1: Create Your Household Account

All customers, members, and guests will need to create an account in Kroc Community. If you have already done this, please skip to Step 2.

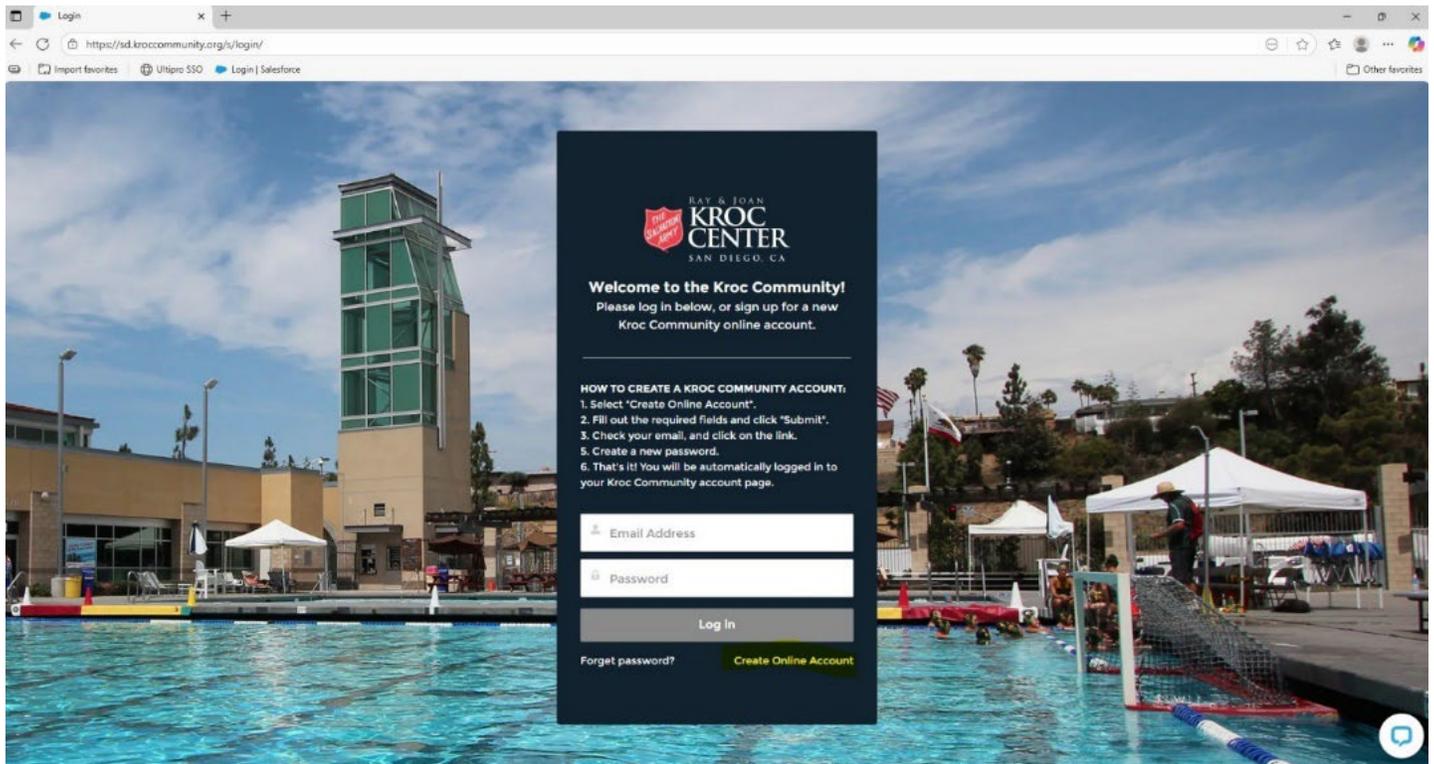

Please Note: *If you are not a current member or have not registered for a Kroc Center program since our new software launched on September 30th, 2025, you will need to create a new account!*

- 1) Visit <https://sd.kroccommunity.org/s/create-account>
- 2) The Account should be in YOUR name as the parent or guardian, not your child. Enter your first and last names, email, birthdate, and gender. Then hit “submit”

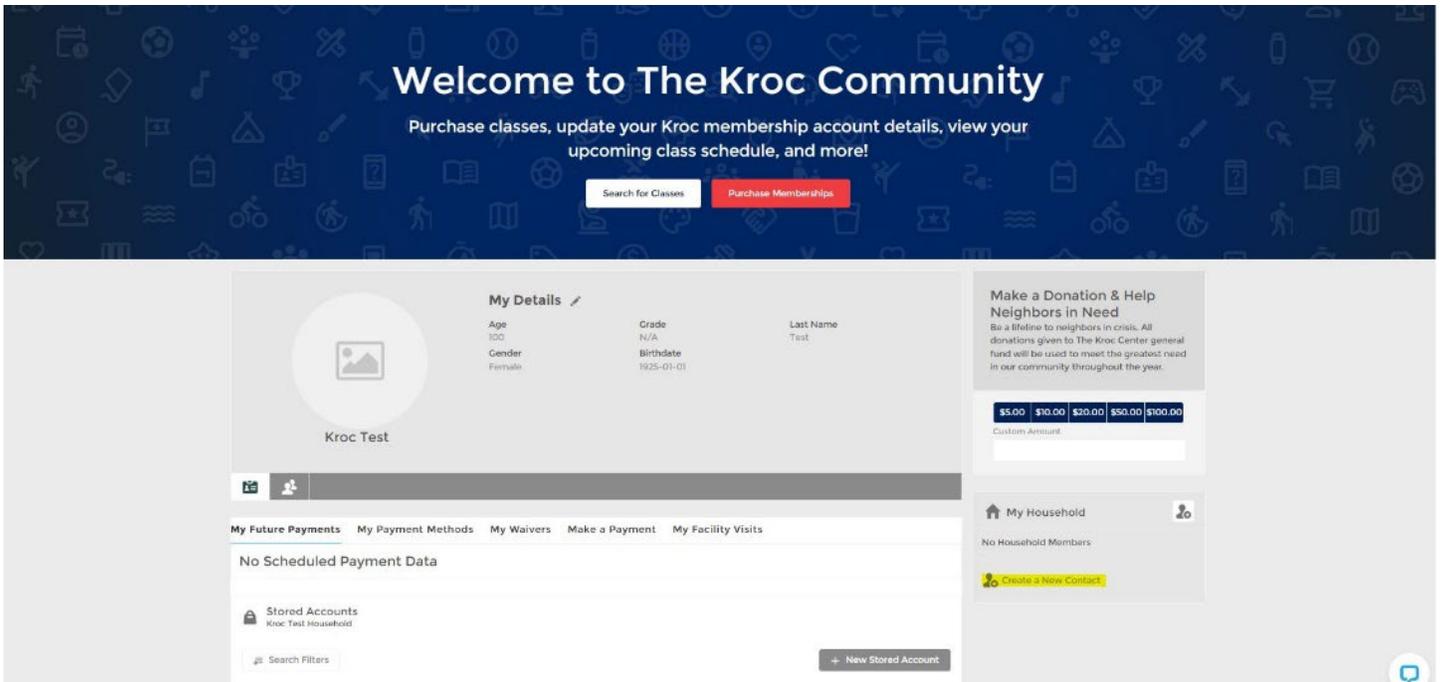

The screenshot shows a web browser window with the URL <https://sd.kroccommunity.org/s/create-account>. The page features the Kroc Center logo at the top, followed by the heading "Create Your Kroc Community Account". Below this, there are input fields for "First name", "Last name", "Email", "Birthdate", and "Gender". A "Submit" button is located at the bottom of the form. At the bottom of the page, there is a copyright notice: "©2025 The Salvation Army | 6845 University Avenue, San Diego, California 92115 | sd.kroccenter.org | 619-287-5762 | krocinfo@usw.salvationarmy.org | [Privacy Policy](#)".

- 3) Check your email for a verification code/link to complete the account setup. Click on the link and sign into your account (see picture below). *For existing customers/members, if you get an error message, please Live Chat or call Guest Services at 619-269-1472. We may need to verify the email address on file.*

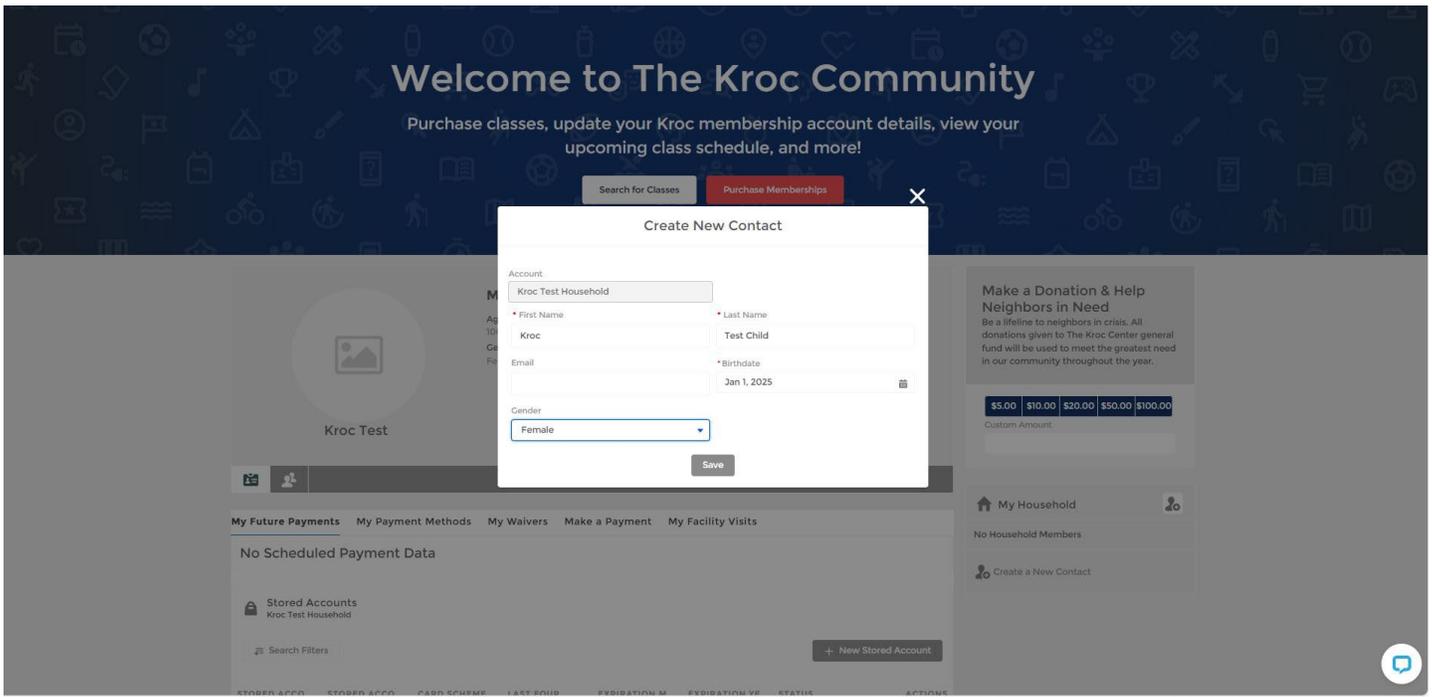

Step 2: Once you are in your Kroc Community account, you will need to create contact for your child.

1) Click on “create new contact”

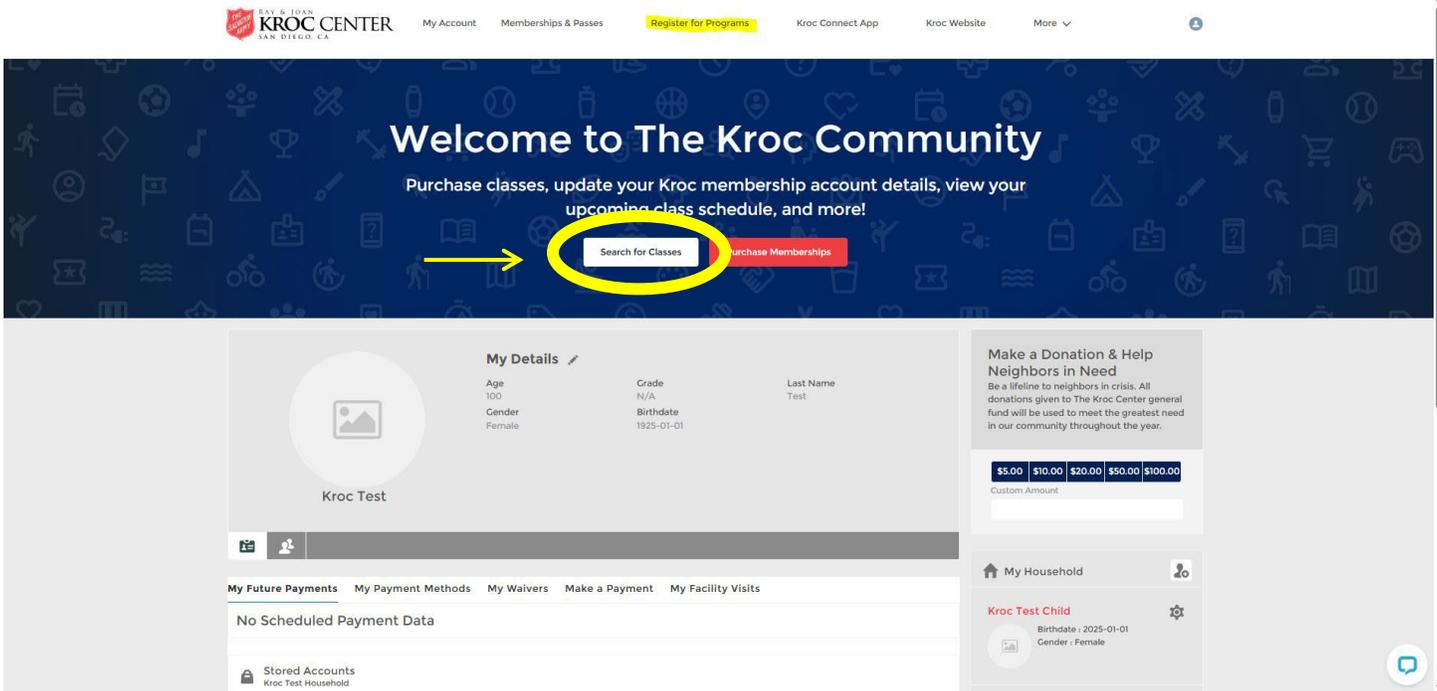

2) Input your child’s information. Please **do not list your email under your child’s contact!** Leave the email field blank for your children.

Step 3: Once you have added your child/ren as a contact/s on your household account, you can now register them for a program.

1) Click on “search for classes”

2) On the left hand side you will see different categories. Click “Day Camp”
