

WELLS PLACE

Wells Place is a two-year recovery residence for adults who have completed residential drug treatment. Rooted in the principles of recovery, accountability, and service, this transformative community fosters lifelong change by promoting positive values and behaviors through peer support, education, and community engagement. Participants receive onsite case management, life skills, recovery support, workforce and career development, and assistance with permanent housing placement. All prescribed medications, including Medication Assisted Treatment (MAT) are permitted.

Program

- 2 Years of Drug Free Recovery Housing
- All prescribed medications, including Medication Assisted Treatment (MAT) are permitted
- Recovery & Supportive Services
- Case Management, Life Skills, Savings Program
- Career & Workforce Development
- Community Engagement & Family Reunification
- Permanent Housing Assistance

Eligibility

- Single adults who are San Francisco residents and have completed residential drug treatment program or therapeutic teaching community
- Agree to community guidelines
