GROUP EXERCISE CLASS DESCRIPTIONS

Ages 12–15 must be accompanied by an adult. Unless otherwise noted, all classes are open to all fitness levels.

DANCE FITNESS

BARRE
Barre Class uses elements from ballet, Pilates, and yoga to provide a low impact workout that tones the body while burning fat and improving mobility and flexibility.

STEP HIIT
STEP HIIT class brings a classic step aerobics format up to date by making it a high intensity training. Combining low-impact cardio with high-energy music, it provides a full-body workout with a specific focus on lower body conditioning that fits a wide range of fitness levels.

ZUMBA
It's an exhilarating, effective, easy-to-follow, Latin-inspired, calorie burning total body dance-based workout. Fun mix of Latin flavor and international beats designed to tone your body.

ZUMBA GOLD
Zumba Gold takes the Zumba formula and modifies the moves and pacing to suit the needs of the active older participant, as well as those just starting their fitness journey.

MIND & BODY

CHAIR YOGA/ TAI CHI
Taking the best of both arts, yoga & Tai Chi. It is a seamless blend of Tai Chi arms with seated yoga stretches. This will be a blissful hour for young & old alike.

CLUB SWINGING & HATHA YOGA
Come join us for weighted club swinging for the first half and Hatha yoga for the second half of class! In class we use clubs 1-4 lbs to enhance mobility, strength, coordination, and rotational power. The art of swinging clubs originated in India and Persia and is an alternative to conventional weight training. Hatha yoga is the most widely practiced form of yoga in the world. The class uses postures and breathing techniques in combination with mental focus to develop awareness, strength, flexibility, and relaxation.

POP PILATES
A combination of total body Pilates exercises with the attitude of choreographed dance and the energy of music, results in an intense workout that is fun and effective. Every exercise can be modified to fit YOUR personal needs.

SILVER SNEAKERS STABILITY
Standing class designed to decrease the risk of falls with focus on improving balance and lower body strength.

STABILITY
Stability class uses many different formats to improve balance, mobility, posture and agility for overall better body awareness and movement.

TAI CHI: MOVING FOR BETTER BALANCE
A nontraditional form of exercise, which is used to help participants improve postural stability, gait initiation and locomotion, movement symmetry, and coordination, increase the range of motion around ankle joints; and build strength in lower extremities.

YOGA
Revitalize your body, relax your mind, and reduce stress with slow, standing flows and floor poses to increase your strength and flexibility. Explore body alignment, deep breathing and balance in a supportive environment for all levels. Variations may include Flow, Gentle, Hatha, and Vinyasa.

STRENGTH & CONDITIONING

BODY BLAST
This class combines various training styles and equipment to deliver a dynamic cardio and weight training workout. Get game-changing results while building strength and stamina.

BODY COMBAT
Body Combat provides a high-intensity and high energy workout using martial arts inspired movements to build upper and lower body strength. The class incorporates different formats such as Muay Thai, Taekwondo, Boxing, Kickboxing and more! This is a full body workout that is sure to burn calories and build overall strength. You will leave this class feeling strong, motivated, and empowered!

BODYPUMP®
Using light to moderate weights with lots of repetitions (reps), BODYPUMP® gives you a total body workout that burns lots of calories. The rep effect—a scientifically proven Les Mills formula—is the secret to developing lean athletic muscle without the need for heavy weights.

BOOT CAMP
An outdoor class that mixes interval training and strength exercises through tires, battle ropes, medicine balls and more. Be ready to be pushed beyond your limits. Hat, sunglasses, and sunblock recommended.

STRENGTH & CONDITIONING (CONT.)

CYCLE
If a challenge is what you're looking for, this is it! Whether you're training for a triathlon or riding for cardiovascular health, this class will get you there. Come enjoy the ride!

HIGH LOW
High Low is a lower impact workout, while still offering impact progressions for every move. HIGH Low is a steady state cardio workout. Highly adaptable to all fitness levels, this lower impact format focuses on the steady state (or aerobic) training zone – the heart rate remains in a manageable yet constant and challenging, aerobic state for the majority of the class. Lower impact leads to less joint discomfort while still yielding those important mental health benefits and improving overall fitness and cardiovascular health. Consistent with the HIGH brand, are the elements of fun, fabulous music, and a community-based inclusive environment!

KICKBOXING
This class combines martial arts techniques with fast-paced cardio. This high-energy workout challenges the beginner and elite athlete alike. Build stamina, improve coordination and flexibility, and burn calories as you build lean muscle with this fun and challenging workout.

SILVER SNEAKERS BOOM MUSCLE
Muscle-conditioning blocks and activity-specific intervals to improve cardiovascular health and functional skill.

SILVER SNEAKERS CLASSIC
Seated and standing exercises to increase muscular strength, range of motion and activities for daily living.

TOTAL BODY CONDITIONING
A workout that will strengthen the whole body and increase cardiovascular conditioning. A wide variety of equipment may be used.

AQUA FITNESS

AQUA FIT
This is a full body workout, a combination of cardiorespiratory, muscle conditioning, and interval training. Participants can increase range of motion using non-impact movements. Can be conducted in a deep or shallow pool.

AQUA YOGA FLOW
Aqua Yoga Flow is a sequence of movements from one posture to the next and is timed with the inhalation or exhalation of breath. This is a great class to help build your strength, flexibility, and balance using the resistance of the water. Yoga also helps alleviate stress and anxiety.

AQUA ZUMBA
Splashing, stretching, twisting, Aqua Zumba blends it all together into a safe, challenging, water-based workout that’s cardio-conditioning, body-toning, and most of all, exhilarating beyond belief.

ARTHITIS FOUNDATION PROGRAM
Group program using a variety of water-based exercises to increase physical activity among adults with Arthritis. Note: Participants do not need to know how to swim to participate.

SILVER SNEAKERS SPLASH
Shallow-water exercise for all skill levels to increase strength and cardiovascular endurance.
