ABOUT THE ARC

The Salvation Army Adult Rehabilitation Centers (ARCs) are a 6-month, Christ-centered, work therapy program for those struggling with a variety of social and spiritual issues, including problems related to alcohol and substance dependence. The program is provided on a charitable basis, generally at no cost, with no insurance required.

“
When one person finds recovery, approximately 50 individuals in their circle are positively affected.
”

Major Mark Nelson, Western Territory ARC Commander

THE NEED

Results

Our ARC Programs must stay intact and indeed, grow. It's often said that when one person finds recovery, approximately 50 individuals in their circle are positively affected. This forms a small yet spirit-filled community of renewed hope, crucial for rebuilding our nation due to the ravages of homelessness, substance dependence, and more.

You Can Help

Your legacy gift will allow The Salvation Army ARCs to continue the work we've been doing for over 100 years; giving men and women back their dignity, hope, and a second chance.

Tax-Deductible

Your financial donation is tax deductible, and we are grateful for your support helping fund this community-based network of Adult Rehabilitation Centers across the WEST.

ADULT REHABILITATION CENTERS
