We are proud to be celebrating our Centennial Year: 100 years of service to the people and communities of L.A. County.

While so much has changed in the years since our founding, the challenges we face continue to be very real. Today in Los Angeles County, 66,000 neighbors are experiencing homelessness, 1.5 million neighbors are living in poverty, and 850,000 students are lacking adequate educational resources.

We believe that every person, every child, and every family should not only receive relief when they are in crisis, but have the opportunity needed to live their best lives.

We cannot achieve that vision for a stronger Los Angeles without YOU. With your support, we can continue our work to ensure every family has a home, every child gets a quality education, and every person can achieve success in our economy.

We build coalitions to pursue just and equitable solutions for our unhoused neighbors, to give voice to student needs, and to push our local government to take actions that reflect our values.

- **WalkUnited LA**, our annual 5k run/walk to end poverty, has mobilized 125,000+ Angelenos and raised $9.5+ million to support housing, education and economic opportunities for all.
- Our **Young Civic Leaders Program** is fostering the next generation of community leaders by elevating student voices and civic engagement.
- **Everyone In** is 180,000 neighbors strong and working to educate the public and build political will for the solutions that work to end homelessness.

Thanks to a generous donor, we are thrilled to share that all new and increased donations will be matched. 
**Double your impact today!**
Together, we can break the cycle of generational poverty and change the future for our children and generations to come.

**WHAT YOUR DOLLARS DO**

When families are in the midst of an emergency - whether because of a natural disaster or because they can’t make rent - we are there to help them stabilize.

---

**RESPOND TO CRISIS**

So far in 2022, we have provided:

- **RENTAL ASSISTANCE TO 500+ FAMILIES**
- **UTILITIES ASSISTANCE TO 16,000+ FAMILIES**
- **LEARNING AND TECHNOLOGY SUPPORT TO 1,000+ STUDENTS**

- **$700,000 FOR COVID-19 VACCINES AND TESTING INCENTIVES**
- **$2.5 MILLION IN AID TO 32 ORGANIZATIONS EMPLOYING 1,500+ FRONTLINE WORKERS SERVING OUR UNHOUSED NEIGHBORS**

---

**CREATE LONG-TERM OPPORTUNITY**

We spark innovative programs that have widespread and lasting impact, supporting neighbors facing housing instability, educational inequality, and income and wealth gaps.

- **Our Affordable Housing Initiative** is financing 580+ units for housing insecure neighbors in communities from Chinatown to Boyle Heights to Wilmington to South LA.

- **The Women’s Investment Network** is helping 200 Black and Latina women receive financial coaching, build personal wealth, and increase investment in their communities.

- **The Volunteer Income Tax Assistance program** ensures low-income families maximize returns, claiming $4.2 million in federal returns for 1,520 households this year alone.
