Subject: Become A Neighborhood Hero - Join My Food Drive!

Email Copy: Did you know that everyday an estimated 1.4 million people in Los Angeles County experience food insecurity? This means that 16% of our county neighbors do not know where their next meal is coming from.

While the amount of people experiencing food insecurity is startling, there is something you and I can do to make a difference. From [insert date here], I am running a food drive to help feed our neighbors and I need your help! Become a neighborhood hero and donate canned and other non-perishable food items to our drive. Together, we can make an immediate impact.

The process is simple! Just check out the list of acceptable items below, check your pantry or pick up some items on your next trip to the grocery store, and then drop them off at [give drop off location for you].

If you are not able to take part in the food drive, there is still a way you can help! You can give a financial gift online at unitedwayla.org/give. Just be sure to note that your gift is on behalf of the [insert name of your food drive].

Thank you for your help,
