HOUSING SOLUTIONS

United Way of Greater Los Angeles is breaking the cycle of poverty in Los Angeles County for our most vulnerable neighbors through housing solutions, education equality and economic mobility.

We won't rest until all our neighbors have safe and stable homes. No other organization brings together as many people with as many resources in the fight to end poverty and homelessness in L.A. County.

OVER 53,000 OF OUR L.A. COUNTY NEIGHBORS ARE LIVING WITHOUT A HOME.

"The sand is freezing and the cement is hard, so we found a tiny patch that was safe and pitched a tent every night."

MAHALIA - Everyone In: Stories from the Frontline, Venice, CA

"I became homeless when my landlord decided to build up a parking lot. Every day I would say to myself, 'This is only temporary. This is only temporary. Just put one foot in front of the other.'"

SUE - Formerly Homeless Community Member

Thanks to the efforts of United Way of Greater Los Angeles and our partners, Sue now has housing she can afford and a supportive community surrounding her.

Through initiatives like the Everyone In™ community coalition, Home for Good, the annual HomeWalk 5K Run/Walk, we mobilize organizations and create the awareness needed to provide supportive housing, job training and health services to the most vulnerable members of our community.

We have built significant momentum over the past two years:

- › **We've helped provide housing for more than 30,000 of our formerly homeless neighbors.**
- › **United Way has helped prevent over 6,000 people from becoming homeless.**
- › **We've helped build 2,700 apartments for people experiencing homelessness.**
