TELL US WHAT YOU THINK!

Families can reflect upon their experiences using the feedback forms found after each “Guides” section and by answering the United Way Parent Toolkit Survey.

These forms serve to:

• Provide an opportunity for parents to reflect on their meetings
• Provide trainers with insights on how to best support parents
• Provide CLASS/United Way with an idea of parent’s experiences and feedback on how to support facilitators and families

Encourage families to complete the United Way Online Survey by going to http://www.unitedwayla.org/parent_toolkit
