MAHALIA - Formerly Homeless Community Member
United Way of Greater Los Angeles is breaking the cycle of poverty in Los Angeles County for our most vulnerable neighbors through housing solutions, education equality and economic mobility.

We won’t rest until all our neighbors have safe and stable homes. No other organization brings together as many people with as many resources in the fight to end poverty and homelessness in L.A. County.

OVER 53,000 OF OUR L.A. COUNTY NEIGHBORS ARE LIVING WITHOUT A HOME.

“The sand is freezing and the cement is hard, so we found a tiny patch that was safe and pitched a tent every night.”

We mobilize organizations and create the awareness needed to provide supportive housing, job training and health services to the most vulnerable members of our community.

**Everyone In™** is a community engagement campaign powered by leaders and organizations who are committed to creating permanent housing solutions and preventing homelessness.

**Home For Good** is a county-wide effort representing over 200 partners that work collaboratively on systems and solutions to end homelessness.

**HomeWalk** is an annual 5K walk/run in Downtown Los Angeles that raises awareness and funds to end homelessness.

- In the last two years, we’ve helped provide housing to more than 30,000 of our formerly homeless neighbors.
- We’ve helped prevent over 6,000 people from becoming homeless.
- We’ve advocated for $1 billion in policy change.
LABOR UNITED

Many of our neighbors experiencing homelessness are employed or looking for work. Let’s acknowledge them this Labor Day.

While homelessness went down three percent this year*, there was an increase in people experiencing homelessness for the first time.

Together with LA Fed—and the Workforce Development partner program, the Miguel Contreras Foundation—United Way has helped to power economic opportunities to historically underserved workers in Los Angeles.

Visit EveryoneInLA.org for more information about how you can help the homelessness crisis in Los Angeles County. Donate today and help us end homelessness in L.A. County for good.

Whether it be the amount of another person at the table or a family getaway, this Labor Day, let’s share a donation that will help give our homeless neighbors a place to call home.

75% OF OUR NEIGHBORS WHO ARE EXPERIENCING HOMELESSNESS FOR THE FIRST TIME ARE HOMELESS DUE TO THE LOSS OF A JOB OR OTHER CATASTROPHIC EVENT.

This Labor Day, let’s make space in our celebrations for the individuals and families in our neighborhood experiencing homelessness.
