UNIFYING THE COMMUNITY SINCE 1922

UNITED WE CAN BREAK THE CYCLE OF POVERTY IN OUR COMMUNITY

United Way of Greater Los Angeles is breaking the cycle of poverty in Los Angeles County for our most vulnerable neighbors through housing, education and economic mobility. No other organization brings together as many people with as many resources and expertise—we tackle the root causes and build long-term solutions to end poverty and homelessness.

ALEJANDRO, From United Way's Young Civic Leaders Program

HOUSING

Over **53,000** of our L.A. County neighbors are living without a home.

EDUCATION

50% of L.A. students remain unprepared for college or the workforce.

ECONOMIC MOBILITY

25% of children in L.A. County are living below the poverty level.

THREE PATHWAYS OUT OF POVERTY

United Way of Greater Los Angeles builds powerful impact partnerships and initiatives that work to provide housing solutions, quality education and economic mobility for everyone in Los Angeles County.

WE CAN'T REST UNTIL...

HOUSING

...all our neighbors have safe and stable homes. Through initiatives like Home For Good, the **Everyone In™** community coalition, and the annual HomeWalk 5K Run/Walk, we mobilize organizations and create the awareness needed to provide supportive housing, job training and health services to the most vulnerable members of our community.

› **In the last two years, we've helped provide housing to more than 30,000 of our formerly homeless neighbors.**

EDUCATION

...all students of L.A. County are prepared for college admission, college completion and career success. Through the Young Civic Leaders Program, Communities for Los Angeles Student Success (CLASS) and policy changes like the Close the Gap Initiative, we teach youth to become professional and community leaders, we support parents in advocating for their children's education, and we push for systemic change.

› **In the last year, we've provided over 36,000 students with academic support, career engagement and youth leadership opportunities.**

ECONOMIC MOBILITY

...all the families in our community achieve financial stability and experience upward mobility. Through initiatives like the Volunteer Income Tax Assistance Program, the SoCalGas Assistance Program, and the Emergency Food and Shelter Program, we empower individuals to provide for their futures by helping them obtain tax credits, pay utility bills, receive emergency relief and secure long-term employment.

› **In the last year, over 26,000 households have improved their financial stability through our tax assistance and relief programs.**
