

Help Local Students Thrive.

Join My College Survival Supplies Drive.

Each year, over 6 million first-generation college students embark on their college journeys. However, thousands of these students arrive on their first day of school without the basic supplies they need to succeed, and many struggle or drop out. Together, we can help them get a strong start in college and achieve their dream of graduation.

Items To Collect:

"I know the employees at UPS don't personally know me, but knowing that you heard my story and wanted to help me out...all I can say is thank you. Your gift really helped a lot."

Diana

First-generation college student attending UC Berkeley
