WHAT’S NEW with the Rigney family?

Lots of new adventures have happened to Aden, Adyson and their family since the video shoot for Galactic Starveyors VBS!

• They moved to a new part of London called Greenwich (pronounced Gren-ich) to plant a new church.
• Aden and Adyson started new schools and are making many new friends.
• Their family is meeting their new neighbors and developing friendships in their neighborhood.
• Aden and Adyson’s parents are laying the groundwork for a church plant in their new part of town. A church building was given to them and they plan to launch the church plant this August!
PRAISES & PRAYER REQUESTS:

- Pray for strong friendships in their new area of London that will lead many people to saving faith in Jesus.
- Pray for Aden and Adyson to make friends and shine the light of Christ in their new school.
- Pray for all the work that needs to be done to the donated church building. Ask God to empower Chad and Lynsi to witness to the non-believers who do the professional work on the building (electrical, plumbing, masonry, etc.).
- Ask God to send people to be part of their church planting team!
- Pray that American churches will strategically partner with the Rigney family in the new church plant.

SET YOUR GOAL:

Join the exciting things God is doing in London and around the world. Vacation Bible School can change the world as you pray, give, go and send out missionaries! Whatever the size of your VBS, your kids can make a difference by praying and giving to support IMB missionaries like the Rigneys in London.
