Harrell Family Update

1. We were able to install 6 wells this last year, providing drinking water for over 9,000 people.
2. We also started 3 new works and planted one new church in areas with almost no gospel witness and majority Muslim populations.
3. The apprentices that we were mentoring through the process of learning language and culture have also transitioned to their final place of ministry in Pemba, Mozambique. (They are seen in the second video I believe).
4. The church in the local village has torn down another 3 spirit huts since we made the videos.

Prayer Requests for Our Family

1. As mentioned in our newsletter, balance and wisdom in how we spend our time for the growth of God’s kingdom.
2. For the Lord to raise up strong Mozambican leaders, people of integrity, who work in the power of the Holy Spirit.
3. For Dylan as he prepares to head to boarding school (joining Andrew) in August.
4. For our English class to continue to reach out to the Muslim community and that the Lord would draw souls to himself through our efforts there.
5. For the Mozambican church to be pure and holy in their walk, and bold witnesses of salvation though Jesus in the darkness that surrounds them.
