

Dear Parents,

This week we will be collecting items to place in comfort packs for children facing traumatic life experiences. Many times children facing these situations must move to another place to be safe at nighttime and do not have much time to gather their belongings. The comfort packs will be donated to _____

Below is a list of suggested items we would like you to send on or before Day 4 of VBS. The children participating in VBS will place the collected items into the backpacks so these children have a backpack for school or to transport their possessions and a few basic necessities. We appreciate your support in teaching children to pray for others, participate in projects that help others, and provide for the basic needs of others.

Sincerely,

The VBS Missions Team

- Backpacks
- Stuffed animals
- Lap blankets
- Socks
- Toothbrushes
- Toothpaste

- Combs and brushes
- Travel shampoo
- Bars of soap
- Travel deodorant
- Pencils and crayons
- Notebook paper
