

Hi kids,

I am just amazed at God's faithfulness to my family and the people of M28 Church in Atlanta. There are so many exciting details to share about what has been happening over the last few months.

Our church is just two and a half years old, but we're already working on planting a second church. It will be just down the road from the Atlanta Zoo and will be called M28 @Grant Park. We're also praying about a third location. Right now, we have a Missional Community meeting there and their neighborhood desperately needs a church started. We are praying and expecting God to help us to start our third church there soon.

We continue to see more and more people come to M28 each week. It's awesome to see new people give their life to Christ and be baptized. And it's so thrilling to see so many people in our church family learn how to live their life on mission each and every day. God is using so many people in so many different ways to reach our city.

My children have been very busy this summer and can't believe that school will be starting again soon. They will all be at the same school this year and Teresa (my wife) will be teaching there as well. This is a huge answer to prayer for our family.

This summer has been very busy for my Kona Ice business. We're so grateful to see the business continue to grow. I have other men now who handle much of the business and I'm so grateful for them. Please pray for our business to continue to grow as we still hope it'll help provide necessary income for those involved. The best part is that it's still a great way to meet so many people in our community.

Please pray for Tess! She still loves the Lord and is growing as a believer, but life is sometimes difficult and she treasures your prayers.

Thank you so much for your kindness and prayers offered to us and M28 Church!
Please continue to pray for the following:

- Please pray for each of us at M28 Church to live intentionally each day in the place the Lord has us.
- Please pray for more partners to support us as we grow and start churches in our new location(s).
- Pray for my Kona Ice business and that it will bring glory to God in all ways.
- Pray for M28 Church to be bold, kind, and generous to those in our city!

What a wonderful gift God has given us so that so many would pray and encourage us.
Thank you!

Blessings,
Pastor Matt Dye
