Teaching Steps

1. Greeting (5 minutes)
   - Greet conferees as they arrive and give each a stack of sticky notes. Encourage the conferees to use the sticky notes to record ideas for using Snacks, Crafts and Recreation to promote Adult VBS or continue the connection with adults who have attended.
   - Direct conferees to stick each idea on the appropriate tear sheet.

2. Focus on Adult Snacks (10 minutes)
   - Give each conferee a bag of Rain Forest Mix. Invite the group to enjoy the snack mix as you discuss the ideas that have been posted on the Snack tear sheet. Encourage adults to make note of ways to promote Adult VBS or “continue the connections” following Adult VBS.
   - Offer these suggestions and add your own to the ideas posted by conferees:
     - Make a large batch of snack mix in the foyer of the church one month before VBS. Label or tag each bag with Adult VBS dates, times, and location. As families prepare to leave church, invite them to assist with making and bagging the snacks. Encourage each family to take a bag of snack mix to each adult on their block and extend a personal invitation to Adult VBS.
     - Take snack mix ingredients to each Adult Bible Study class one month following Adult VBS. Instruct early-arrivers to make bags of snack mix and then deliver them to adults who attended VBS but do not attend your church. Include a personalized invitation to join Bible Study.

3. Focus on Adult Recreation (15 minutes)
   - Lead adults to form three groups. Give each group a set of supplies. Explain that the teams will use the supplies they have been given to try to build the tallest giraffe in 10 minutes.
   - Compare the finished structures and congratulate the team with the tallest giraffe.
   - Discuss ideas that have been posted on the Recreation tear sheet. Encourage adults to make note of ways to promote Adult VBS or to “continue the connections” following Adult VBS on the handout.

4. Focus on Adult Crafts (15 minutes)
   - Follow the instructions to make the “On the Road Auto Air Freshener.”
   - As conferees work on the craft discuss the suggestions for using crafts to promote Adult VBS or continue the connection with adults. Encourage conferees to record at least one idea on their handout.
   - Offer these suggestions and add your own:
     - Make simple crafts to provide a tray favor for a senior center or meal delivery ministry.
     - Use Adult VBS as a launch for an on-going crafting group that will continue to meet.

5. What Else? (15 minutes)
   - Say: “The CD-ROM in the Adult Starter Kit contains many other extra helps.” Ask conferees to look under their chairs for a card. Call on volunteers to read the cards. Show (on computer or print out) and briefly discuss the resources named.
   - Thank the conferees for attending and lead a prayer asking God to use everything we’ve discussed to reach adults in VBS this year.
