

VELVITA[®]

MIND[™]

DIETARY SUPPLEMENT

AN OUNCE OF GENIUS[®]

Fuel your focus. Strengthen your memory.
Unlock your potential.

WHY MIND™

Combining traditional Eastern ingredients with modern nutritional science, **MIND™ helps you** maintain mental clarity, keep calm, and confidence throughout your day.*

In today's fast-paced world, your brain is constantly challenged to process information, stay focused, and perform under pressure. Every day distractions, stress, and digital overload can make it harder to stay sharp and remember important details.

MIND™ IS A DIETARY SUPPLEMENT FORMULATED TO SUPPORT MEMORY, FOCUS, AND COGNITIVE PERFORMANCE.

THE SCIENCE BEHIND MIND™

MIND™ features **Memo-Q™**, a silk protein hydrolysate derived from silkworm cocoons and clinically evaluated for its ability to support memory function.‡

Research has shown that **Memo-Q™** may help maintain healthy communication between brain cells, which is essential for recall and cognitive performance. Combined with key amino acids that promote focus and relaxation, **MIND™** offers comprehensive support for your mental wellness routine.‡

Individual results may vary. The statements associated with this product and its ingredients have not been evaluated by the FDA or any regulatory authority. Velovita® Products are not intended to diagnose, treat, cure, or prevent any medical condition. Velovita® Products are not weight loss products, and individual results for fat loss will vary depending on the diet and exercise. Consult with your doctor or other qualified healthcare providers before undertaking a new treatment, diet, fitness, or exercise program.

WHAT MAKES IT WORK

MEMO-Q™ (Silk Protein Hydrolysate)

– Clinically studied for its role in supporting memory and recall.‡

May help maintain healthy cognitive function and mental performance.‡

N-ACETYL L-TYROSINE – May support the synthesis of key neurotransmitters involved in focus and motivation.‡

Can help maintain cognitive performance during periods of stress.‡

L-THEANINE – An amino acid found naturally in green tea.

Can help promote calm focus and mental relaxation without drowsiness.‡

GABA (Gamma-Aminobutyric Acid) – Naturally occurring neurotransmitter that helps promote relaxation and balance.‡

Can support a calm, focused state of mind.‡

HOW MIND™ MAY SUPPORT YOU‡

- Can **support** memory and recall.‡
- May help **maintain** focus and mental clarity.‡
- Can **promote** relaxation and calm concentration.‡
- May **boost** overall cognitive wellness.‡

Each 1 oz. (30 mL) single-serve gel features a refreshing **lemon meringue flavor** and is:

- **Convenient and portable** for daily use.
- **Free from** artificial colors, flavors, or sweeteners.
- **Easy to take** — simply open, enjoy, and feel ready to focus
