

# MICHAEL ANASTASSIADES

Floor Composition, 2017

Floor Composition, 2017  
Powder coated aluminium  
Black braided flex, inline switch

## Bulb specifications

Bulb specifications 120V / 240V

LED sheet 18W 12V  
850lm / 2700K

## Product specifications

Input voltage: 120V / 240V  
Maximum wattage: 18W  
Dimmable. Provided with 2500mm cord set.  
Product weight: ~20kg

## Cleaning Instructions

Before cleaning, lighting fixtures must be turned off and unplugged from mains electricity. Whilst cleaning them please be extremely careful and use the white cotton gloves provided in the product box.

Powder coated finish: Use a lightly damp soft dust cloth and gently go over marks until clean.  
Dry it afterwards with a soft dust cloth. Make sure the product is completely dry before switching the electricity on.

Michael Anastassiades' design philosophy is to preserve the inherent qualities of given material. All of our products are handmade and come in natural finishes, exposed to the elements without any protective lacquers. We look at oxidation as part of a process that adds to the patina of an object, increasing beauty with time. We try our best for all goods to leave our premises in pristine condition, but sometimes products may arrive with minor oxidation marks.

Whilst every effort is made to ensure accurate representation of product colours, finishes and dimensions, Michael Anastassiades Ltd reserves the right to alter these details without notice, in compliance with its own production needs, technological changes or in response to the current market needs. Colour swatches are for reference only; Michael Anastassiades Ltd cannot guarantee exact colour match for any product finishes.

All designs are protected under copyright law. Michael Anastassiades holds the exclusive manufacturing and distribution rights worldwide. Copying will be prosecuted.

All light fixtures in this catalogue have CE marking compliance.
