

**EXHIBIT B**

Special arrangements will be made for Production Vehicles only. Please contact the Film Office for base camp or cast/crew parking assistance.

Berkeley streets must be posted for parking at least 48 hours prior to call time for metered areas and 72 hours prior for non-metered areas. Advance written notice (Neighborhood or Commercial Advisory) may be required in some areas of the City, providing information of dates, time of filming, a contact phone number and name of Production Company representative.

All productions vehicles shall be visibly identified with (including equipment rental vehicles) the name of the production company. Cab cards, issued by the Berkeley Film Office, with such information is to be placed on the dashboard of each vehicle while on location.

The following items must be provided before the parking permit may be issued.
