Hi Bernadette,

BX BCR# 85KM092018*036 has been uploaded to delete the appropriation from B2# 85IS082318*017. This is the expenditure side only. Larry will talk to Betsy tomorrow to determine whether or not the revenue budget and PEP received should remain in the EWD Org, and going forward as well. The corresponding BX for the revenue side and JV will be prepared, if necessary, after we receive confirmation.

GL Audit Report attached. Hardcopy of this BX on the way. Thanks.

Hi Donna,

I wanted to circle back on this B2. Though it was previously posted and appropriated in EWD, Budget has been informed that this funding will be supporting functions in CAO. With that said, I would appreciate if you could please upload a BX to remove the appropriation in EWD, and I will process a B2 to appropriate the funds in CAO. Please let me know if you have questions. Thank you.

There is nothing to be sorry about. Frequently, it takes more than 2 months.
This has become the City's norm for B2s.
