Hi Donna,

I wanted to circle back on this B2. Though it was previously posted and appropriated in EWD, Budget has been informed that this funding will be supporting functions in CAO. With that said, I would appreciate if you could please upload a BX to remove the appropriation in EWD, and I will process a B2 to appropriate the funds in CAO. Please let me know if you have questions. Thank you.

There is nothing to be sorry about. Frequently, it takes more than 2 months.
This has become the City's norm for B2s.
