Subject: Touch base on A's Howard Terminal Development

Hi Betsy,

We were talking at OakDOT that it would be nice to sit down and check in on your/the City Administrator's goals on the Howard Terminal development, and to more informally discuss the project since I jumped in midway and we all really want to make sure we get the transportation piece right.

If that sounds good to you, I can try to find a time when we're all available to meet. Let me know if your calendar is up to date, or how I should go about scheduling.

Thanks!
Nicole
