Yes, that would be great to organize a meeting in Sept when things die down a little.

So, the Bay Trail alignment through the site has been discussed at previous design meetings of City, As, Port, SLC and BCDC. As well as the need to coordinate with Lee. Sounds like that time has come. Yes, I think it makes sense to include the As, and possible someone from Field Operations (the landscape architect/planner for the project). Do you want me to coordinate? I'd shoot for a meeting in the first half of September as I only have two weeks left in the office (and then out for last two weeks of August) and I don't see this as super time sensitive. LMK your thoughts.

Thanks!  
M.

This gets me thinking, I haven't spent much time on the ON site transportation network/design. Let's add to our list!

Hi Jason and Lee,

Thanks for the introduction! Lee, I'm the PM for the transportation planning of A's Howard Terminal. I'd be happy to meet with you to discuss Bay Trail alignment. I'm also looping in Molly Maybrun, the city's PM for the project. Molly – do you think it would also make sense to include the A's in this meeting?

Lee, we'll follow up with some times soon. Jason, I'll keep you looped in if you'd like to attend.

**Subject:** Ball Park & Bay Trail

Hi Nicole,

Lee Huo with the San Francisco Bay Trail Project would like to meet with OakDOT staff regarding the Howard Terminal ball park proposal and the alignment of the Bay Trail. Are you the OakDOT lead staff for the ball park? Please confirm and let me know if other staff should attend. I am happy to set up the meeting and make the introduction.

Thanks, Jason
