Hi Nicole and Molly,

It's good to virtually meet both of you, and thanks to Jason for connecting us.

I mostly wanted to talk about the opportunities to create improved Bay Trail alignments and bike/ped access to the proposed A's Stadium from BART and Lake Merritt. This project has so much potential to activate the Jack London waterfront and to create better access to the waterfront from the West Oakland, 12 Street, and Lake Merritt BART stations as well as along the Lake Merritt Bay Trail Connector Trail.

I met with the A's Stadium team over a month ago and brought up all of these same points, but I thought that it would be good to connect with the City's project team to discuss these points as well. I think it makes sense for Oakland staff, Bay Trail, and the A's to meet together about these issues, but it might be a repetitive meeting for the A's at this point. I'll leave it to you and Molly on whether you would like to have a preview meeting with me or just discuss this together with the A's team.

Best,

Lee

Hi Lee,

Molly and I spoke, and she'll be coordinating a meeting with those of us here, plus the appropriate stakeholders from the A's and their team in September (after upcoming vacations).

Lee – can you share any agenda items, questions/concerns, plans/reading material that you would like us to be aware of in advance of the meeting?

Thanks!
Nicole

Hi Jason and Lee,

Thanks for the introduction! Lee, I'm the PM for the transportation planning of A's Howard Terminal. I'd be happy to meet with you to discuss Bay Trail alignment. I'm also looping in Molly Maybrun, the city's PM for the project. Molly – do you think it would also make sense to include the A's in this meeting?

Lee, we'll follow up with some times soon. Jason, I'll keep you looped in if you'd like to attend.

Hi Nicole,

Lee Huo with the San Francisco Bay Trail Project would like to meet with OakDOT staff regarding the Howard Terminal ball park proposal and the alignment of the Bay Trail. Are you the OakDOT lead staff for the ball park? Please confirm and let me know if other staff should attend. I am happy to set up the meeting and make the introduction.

Thanks, Jason
