 - b. Location
 - i. Broadway to serve people on both sides?
 - ii. Cost Plus parking lot
 - iii. one location versus multiple locations (one location for buses, but would we want multiple locations for bikes, scooters, etc.?)
- 3) Transit service to the stadium:
 - a. Gameday service
 - i. Want to move away from gameday traffic
 - ii. AC Transit has to provide regular service, can't do gameday specific service.
 - b. Daily service
 - i. Extension of existing lines along Broadway to JLS including:
 1. 6 (terminates at 11th/12th St)
 2. 1 (BRT, turns right onto Broadway, could there be a second modified route that turns left (similar to 72/72M?)
 3. 51A (currently stops at Rockridge BART, but could extend down Broadway to JLS)
 - ii. Service between Lake Merritt BART and West Oakland BART, including rerouting of two existing lines
 - c. Transit priority/infrastructure needs
 - i. 7th St
 - ii. Broadway
 - iii. MLK
 - iv. Access to Lake Merritt BART still needs to be assessed
 - d. Service enhancements
 - i. Need to discuss this further
 - e. **Outstanding questions:**
 - i. What info do we need to move forward with these ideas?
 - ii. What percentage of people would take the bus if it were attractive?
 - iii. F&P can look at physical part and mode shift part

iv. F&P would then look at service needs to accommodate gameday riders

4) Future agenda items:
