Noah, ESA will turn this around to the City on Tues/Wed, including a cover letter and appropriate exhibits for forwarding to EBMUD.

Crescentia, hope you're well.

Attached is the letter from Meyers+ explaining the desire for the increased WSA from EBMUD. Like the original process, ESA needs to submit this to EBMUD to get the amendment. Would you coordinate this from ESA's side? This is time sensitive so it would be great to get the process going this week.

Thanks,
Noah
