Subject: Capital planning

Hi Ariel and Bruce,

As you know, a few things have come up that are inspiring me to think about getting our heads around our major capital priorities, including the Megameasure, A's Howard Terminal, BART starting to study their second tube, and having an intern with time to support this effort!

Bruce mentioned you're starting to work on a capital plan. Let's collaborate! I'll set up a meeting asap to connect on what you're up to, what we're up to, and how we can best move forward. I'll include my intern Lily, you two, Julieth, and please fwd to any other relevant staff.

Best,
Nicole
