Hi Lydia and Noah,

I wanted to call your attention specifically to number 14 on page 9 of the document, as it highlights some of our early thinking and questions for the A's with regard to management of the 3,500 (or 2,000 at full build-out) onsite spaces and how that might relate to the larger scheme of parking management. To the extent you can give this some thought and come on Friday prepared to discuss, that would be helpful. Jay and I are also happy to come meet with you outside the larger group to better understand how the A's envision the use of the lots within the context of overall gameday operations and ticket/"access pass" sales. We also have questions about employee parking.

Thanks!
Molly

Hi all,

In preparation for this Friday's meeting, attached please find a draft outline of the parking management plan for your review. As previously discussed, this plan will be used in part to implement the ballpark TMP. We look forward to hearing your thoughts on Friday.

Thanks!
Molly
