Subject: Introductions

Hi Robert and Lily,

I wanted to introduce you both because Lily is on our team here at OakDOT and compiling an inventory of key infrastructure projects in Oakland. Robert, we're interested in gleaning more information on Capitol Corridor's key infrastructure projects from your planning documents. When we met last week related to A's Howard Terminal you mentioned that some of the plans in the vision document are a little more realistic than others, so we'd just like to parse out which ones are the highest priority/farther along in the project development phase.

Thanks in advance!

Nicole
