Hi all,

I wanted to put the scheduling information for our upcoming transportation meetings in one place for you all so that you can plan your schedules appropriately (I think most/all of this has been sent out piecemeal previously, but I know it's hard to keep track of it all):

- Friday, July 19: Finalize trip generation/TDM strategy assumptions for **CEQA** analysis
- Friday, July 26: Managing congestion at intersections serving the **Port**; minimizing/avoiding Port/project conflicts
- Friday, August 2: **Parking** management

Note that if a listed topic is not relevant to your work, you do not need to attend. If you have a question about whether you should attend, don't hesitate to reach out to me or Nicole.

Thanks, and look forward to seeing you all soon!
