Hi Diane,

The weekly Friday meetings are all from 1-4pm in the Broadway Conference room at 250 Frank Ogawa Plaza. I have a calendar invite and can forward to anyone you'd like, just let me know their emails.

I have been less involved in the technical meetings re: EAs and grade sep, so I'll let Molly respond to that.

Thanks Molly. Not that I'll be attending, but I want to track these meetings for Port staff overall. What time is the meeting on August 2?

Is there an emergency management planning meeting on July 24 at noon?

Is there a grade separated crossing alternatives meeting on 7/22 or 7/23?

Diane

Hi all,

I wanted to put the scheduling information for our upcoming transportation meetings in one place for you all so that you can plan your schedules appropriately (I think most/all of this has been sent out piecemeal previously, but I know it's hard to keep track of it all):

- Friday, July 19: Finalize trip generation/TDM strategy assumptions for CEQA analysis
- Friday, July 26: Managing congestion at intersections serving the Port; minimizing/avoiding Port/project conflicts
- Friday, August 2: Parking management

Note that if a listed topic is not relevant to your work, you do not need to attend. If you have a question about whether you should attend, don't hesitate to reach out to me or Nicole.

Thanks, and look forward to seeing you all soon!

Molly
