Nicole and Molly, are we ready to have a HT meeting with Caltrans?

Objectives:

Introduce the HT project and Transportation Plan

Need for underfreeway parking lots

Explore funding availability

Other topics?

Hi Joanne and Betsy,

Betsy: Joanne and I checked in on this today, and we thought it would make sense to do the following:

Have three tracks of meetings:

1. Army Base: Betsy, sounds like you have a set of needs around this, but might need to wait until after the lawsuit to have conversations with Caltrans. Is that right?
 - a. Attendees: Betsy, anyone else on your end (please add), and would you also like me and/or Bruce to join?
2. Howard Terminal: I know we don't have much to share yet, but I think it would still be worth looping Caltrans in so they're not caught off guard later in the process, and there are a few things we can talk to them about now (see Howard Terminal section of google doc)
 - a. Attendees: Nicole, Molly, Betsy
3. Join the ACTC/Caltrans coordination meetings with other agenda items as appropriate.
 - a. Nicole to coordinate with Laurie. I already have a running list of items I'd like to discuss (see google doc)

Separately, Joanne will coordinate the quarterly meeting between Director Tavares and the Mayor, and we can use these meetings as an opportunity to elevate projects where we're not getting traction.

Here's my google doc, which includes a running list of agenda items for the three above meetings. You're both welcome to add/edit this and use this as a way for us to collaborate.

Best,
Nicole

Betsy/Nicole,

Can you describe scope of concept and who internally you want invited to the two subject specific meetings, ie., Howard Terminal and OAB? I would like to get back to Laurie on next steps.

Thanks,
Joanne

Hi everyone,

Thank you for the opportunity for our meeting with Mayor Libby Schaaf and for the MacArthur Maze discussion today. Please see the attached sign-in sheet for your record.

We look forward to working closely with the City of Oakland on the next steps for the MacArthur Maze project and other important projects with the City such as the A's ballpark Howard Terminal & Army Base projects, and the homeless camp management effort. We can start setting up these meetings with the City as discussed. We will also coordinate with Alameda CTC and you to include any hot topics relating to the City at our bi-monthly meetings with Ala CTC.

Please feel free to contact me if you have any questions. Thank you.
