Hi Linda,

Pete Vollmann has been out of the office. I've copied Molly Maybrun from the City and who is also helping to lead the Draft EIR preparation; she may be able to help you out.

Andrea

Andrea, who is your primary contact at the City for the DEIR? We've experienced some difficulty trying to reach Paul Volleman (sp?) this past week and wonder if there may be someone else we could try. It relates to the Environmental Assessment BCDC needs to develop for our planning purposes.

Thanks. We understand why he may be unavailable but have marching orders from our ED.
