Hi Tim,

It was South Hayward! After I left the meeting today, it all came back to me – for about a year around 2009/2010, we worked together on the redevelopment of the South Hayward BART station parking lots (I was representing Montana Property Group and Wittek Development). Still a long time ago and you have an excellent memory! Anyhow, it was great to run into you on the Howard Terminal project and I look forward to collaborating with you again. Don't hesitate to call if you have any questions on the proposed project.

Happy Friday!
