Subject: Ballpark Solid Waste

Lydia and Noah,

I am writing to introduce you to Peter Slote, the City's Solid Waste & Recycling Program Supervisor. Peter would like to discuss the possibility of utilizing reusable food service ware to minimize or eliminate single-use food ware and packaging waste at the new ballpark.

ReThink Disposable is a well-established regional program of Oakland-based Clean Water Action and the Clean Water Fund that can help the A's understand and evaluate the business case for resuables, and provide technical assistance related to facility planning and concessionaire agreements.

Can we set up a meeting with Peter and the folks at ReThink Disposable for March? Perhaps in your corporate commissary J?

Here are some times that work for Peter and I (need to confirm availability with ReThink):

Monday, March 16, before 1 p.m.
Wednesday, March 18, all day
Thursday, March 19, after 1 p.m.
Friday, March 20, between 11 and 3

Thanks!

Molly Maybrun
