Yes, Mohamed already sent me holds for those times until the meeting is confirmed. They work for me. Thanks for checking.

Hi Molly.

For the follow up meeting with the City on the grade separations, would you be available on February 26th from 1:00 to 2:30 or the 27th from 9:30 to 11:00 am?? Those two days work with Noah, myself and the consultants we would have attend.

Let me know!

Thank you.

Hi Mohamed.

Hope you are well. I'm reaching out to ask if you can determine a few days/times in mid February when you and your team would be free to have the follow up meeting on the possible grade separations for Howard Terminal. We're working with BKF and team to prepare for the meeting, but want to get something booked since there are a number of people who need to attend and I know how difficult it is to find times where all pertinent attendees are available.

Please give me a few options when you are all available, starting on 2.17.20.

Once we have a draft agenda put together, I'll send it to you for review.

Thanks Mohamed.
