Hi there,

Just thought I'd check back one last time on this as our time is getting short. If you prefer to wait and review post-publication of the DEIR, that is fine, too. Tomorrow I am free before 11:30 and after 4. On Friday, I am flexible before 1 (I have one meeting between 10:30 and 11:30 that I can move if necessary).

Thanks!
Molly

Hi Brian and Ms. Margaret:

Following up on a conversation I had with Brian last week – I am hoping to find an hour or so to sit down with one or both of you this week to review the WOCAP strategies that have been identified by our CEQA team as being potentially appropriate for implementation as part of the Howard Terminal project. I am free Thursday, January 30 from 10 – 1 and 3:00 – 5:30 or Friday, February 1 from 9 – 11 and 1 – 4. Might any of those work for you? I am coping Betsy here and she will join if she can.

Thanks in advance!
