Molly-

Have you guys established a process for responding to the press on A's related items? We usually go through Autumn King, but I'm not sure if you guys have someone else already designated to handle press inquiries on this project.

Hi Peterson,

Since I've confirmed with the A's about next week's targeted release of the draft EIR, I'm writing a quick piece on the updated date.

What can the changed date be attributed to? Just normal proceedings or something specific?

Best,
