Ok, I'm still in ramp-up from vacation. To clarify any confusion I've caused, Wednesday morning's meeting is specifically slated for ESA to get any final direction needed from the City and Meyers Nave. Thursday will be set aside for all parties, including the Port and Project Sponsor.

All, I should have added that we may likely be ready to list and address some of today's comments for discussion this Wednesday morning (confirmed for 8:30-Noon), given that longer timeslot. We can hold Thursday 1:00 for overflow and/or follow-up from Wednesday.
