No worries. Thanks for getting back to me

Hi Marcus, I checked with Pete and he is actually leaving on vacation April 8. So, Veronica could definitely do it, Pete definitely cannot do it, and I am a "maybe" pending plans that I still need to figure out for kids' spring break. Sorry, but that is a tough week for those with school-aged kids. Let me know how you would like to proceed. Thanks! Molly

I don't think so. The next meeting would be 4/8 and would not be meaningful or provide an interactive process.

Sorry, I didn't understand your answer. Quite possibly because my question wasn't clear! I meant is there another meeting date (other than 4/8) that's available if neither Pete nor I can make that date? I can't recall how often you all meet.

Landmarks will be 3/22 and PC 4/7.

Thanks!
M.

The landmarks or planning commission, and could ask the A's.

OK let me check. Are there other options if that date doesn't work?

He could expect to present at 7:15 - 7:30pm, and field questions until 8:00 pm

Ha! Well, that would probably eliminate all of us, at least some of the time. What time is the meeting? I can check with Pete.

My second could be Pete. I need someone who won't have to "check and get back."

Hi Marcus,

Thank you for the invitation.

Do you want me particularly (as opposed to Veronica or Pete)? That week is my kids' spring break, and while we haven't made firm plans yet, I'm pretty sure I'll be out of town.

LMK, and hope all is well with you!

Hi Molly, would you be available to attend and answer questions related to the Ballpark/Howard terminal at our April 8th PNC meeting?

The focus would be fact and fiction, how it would affect the Prescott community.
