Hi Betsy,

I am following up on the request below to set up a time to chat this week or the week of 4/12. Please let us know if you are available and willing to chat about the Howard Terminal project as the SPUR board is conducting information gathering for purposes of the development of our own position on the development.

Thanks for your consideration.

Best,
Ronak

Hi Betsy! Would be great if you could find time for this! And it's been way too long we need to catch up independent of this. I have been enjoying the central coast during Covid and it's been amazing. I am very lucky. Hope you and your family are doing ok. I'll reach out separately to find a time to catch up.

Hi Betsy,

I hope this note finds you well. Warren Logan introduced us via email a few months ago when I stepped into my new role as Oakland Director for SPUR.

I was curious if it would be possible for us to find some time to meet in the coming weeks. The SPUR Oakland Board is working to review the Draft EIR for Howard Terminal and also develop a position on the overall project. We feel our work

would greatly benefit from a conversation with the City to learn more about your perspective on the Howard Terminal Plan. If amenable, it would be great to set up a time with myself and a few SPUR Oakland Board members that are working to develop our point of view. I have copied Lynette Dias on this email, who is a part of and representative of this subcommittee as well.

Thank you in advance for your consideration and time. I look forward to hearing from you.

All the Best,

Ronak
