Hello Pete,

Felicia Verdin with the Neighborhood Services Division suggested I contact you. The East Oakland Stadium Alliance (EOSA) is hosting a community meeting on the Howard Terminal Project on **Thursday, April 15, at 6 pm**. Our team (Mike Jacob, PMSA, and Melvin McKay, ILWU) will discuss the impacts of the Oakland A's Draft EIR and opportunities for participating in the public process. Since NSD will promote the meeting to NPC leaders and its email distribution, they have requested that a representative from the City who knows about the project's technical aspects be in attendance to address questions and concerns. Can you please confirm that you can attend the meeting? Please feel free to email or call (415-572-0798) for questions or more information.

Thank you.
