## INDUSTRY NOTES

The below video shared recently by *Oakland News Now* tells the story of the

fight of EOSA coalition member ILWU 10 and their allies to stop the A's land grab and the Fisher family's attack on the Port of Oakland and union jobs. Click below to learn about the significance of Howard Terminal on the Port's operations and to hear from just a few of the tens of thousands of highly-skilled workers employed at the seaport, representing one of the highest paid blue collar, unionized workforces in the nation.

The A's have yet to release any economic information including expected impacts on existing port employment or the amount of public subsidy they will need to realize their vision for a massive luxury commercial real estate development in the middle of the working waterfront. We're left to wonder about the value of 80 home games vs. over 80,000 career union jobs...

Subscribe below for more media excerpts, industry highlights and other critical information about the status of the coalition and the ballpark proposal. **ILWU UNION VIDEO CLAIMS HOWARD TERMINAL  
BALLPARK IS OAKLAND PORT LAND GRAB**

---

**Zennie Abraham, March 10, 2021 | Oakland News Now**

ONN – ILWU Union Video Claims Howard Terminal Balpark Is Oakland Port Land Grab The International Longshore and Warehouse Union posted this:

John Fisher (GAP) and the Oakland A's want to take over the Howard Terminal as a site for a New Oakland Athletics Base Ball Stadium and Condo-Luxury Hotel Complex. They also want to develop the Oakland Coliseum complex for additional housing and business complexes. Howard Terminal is now used to dock Cruise Liners, Bulk Cargo and Smaller Container ships. It is also used to drop containers on trailers to allow long haul truckers to pick up their loads without having to wait in line at the port. The impact of a Luxury Stadium-Condo-Hotel Complex will conflict with the industrial port and ultimately drive Maritime business from the port -paving the way to convert the land to commercial real estate just like what happened in San Francisco. This Video tells the story of the fight of ILWU and its allies to stop the Land Grab and stop the Fisher Family attack on the Port and Union Jobs.
