Hi Sadie – looking forward to connecting on this. I'm looping in Audrey Harris on the DOT side as well. We had a number of meetings with BART – with Val and Charlie (who was our main point of contact before we stole him from you of course) – where you all shared priorities with us. We also had some exchanges about anticipated BART ridership where your team took a look at data from our consultants.

Just wanted to make sure you're aware of that history since we were mostly working with Charlie.

Best,  
Nicole

Thanks Sadie and Warren.

Please include Pete Vollmann, as he is lead planner on the project and the DEIR.

Thanks for reaching out, and I look forward to meeting with you.

Regards,  
Molly

Hi Ed and Warren,

BART and CCJPA are planning on providing comments on the Oakland Waterfront Ballpark DEIR. I am hoping you could help us to set up a meeting with the right individuals on your end so we can share a preview of our comments. Can you tell me who from the City we should include and I will coordinate?
