Dave & Noah-

Please find the attached incomplete letter that lays out the additional materials that are needed for the processing of the PUD application. Also, if you could let me know when you anticipate the Design Guidelines coming back in so I can confirm the DRC meeting on the project. I've already reserved the May 26, 2021 meeting for this project, but the DRC meetings are filling up fast and if we are not going to make that date I'd like to be able to open it up to others. I think we could still proceed to DRC without the entire application complete, but we really need to get the Design Guidelines in front of them as well as the site plans that have been submitted. Thanks.
