Good morning Councilmember Thao and Matthew,

In response to numerous requests that the City has received, the Howard Terminal DEIR comment period has been extended from 45 days to 60 days following CEQA's recommended maximum comment period. The new deadline is April 27, 2021. The notice (attached) was posted just this morning to the City's [webpage](#), and we will also be sending an email announcement. We thought you would like to know this information, especially if your office has received the same requests.

Please let us know if you have any questions.

Sincerely,  
Veronica
