All,

It was great to meet you on Friday. The design team is in town next week from New York, and we would like to take that opportunity to have them meet with staff from key public agencies that are critical to the project's success.

We would like to invite you, along with Port, BCDC, and State Lands staff to our offices next **Tuesday, October 9th from 2-4pm**. It will be a great chance for you and the design team to get to know each other, and to discuss the latest updates for the project. Please also share this with Bijal and Larry, I do not have their contact information.

Please let me know if you can attend so we may plan accordingly. I hope to see you there!

All the best,

Noah
