Miguel & Dash-

Bill Gilchrist will be able to attend the November 1st meeting, so a presentation on the gondola concept would work at this meeting. How much time do you anticipate the presentation taking of the 90 minute standing meeting?

Pete – Good intel.

We can make it an item on one of the upcoming meetings which Bill can be made available to attend. Keep us in the loop on which date works better for him (starting next week) and we will go

from there.

Thanks,

Bill's schedule is pretty booked up. It might be better to try to squeeze this in to one of our standing meetings and see if he can attend on a particular day. I'm sure our staff in DOT that will be a regular attendee would like to see the presentation as well. I will check in with his admin staff to see if he has time available for any of our upcoming standing meetings.

Pete – I hope you are well.

Dash Davidson from our team spoke with Bill after the agencies meeting last week and they discussed a gondola update meeting with the city. This would be an isolated meeting than our weekly planning meeting about the site plan. Would you mind setting up a meeting with your team (including Bill) to meet with us about the gondola? Meeting can take place at your offices or ours.

I will let Dash confirm availability on his end.

Thanks,

Miguel Duarte
